RAILROAD

'From the Mountains to the Coast'

'Ride the rails' as you play, in a trip from the foothills, through the mountains to a dock on the ocean.

our CL-250 is shown in Cedar with an engraved Custom Logo.

LIGHTHOUSE

'Down by the Sea Shore'

Take a trek along a winding path then pick your way around the point and climb up to the lighthouse.

"My husband has been a big train fan all his life and I couldn't wait to surprise him with your cribbage board. He loved it! I loved it, too, and the cedar smell was great. What was extra fun is that I usually lose to him at cribbage and I won on your board!"

- Melanie, Tuscon, AZ

GOLF COURSE

'The Back Nine'

Follow the golf cart path around this artfully landscaped course, over the water features and finish at the clubhouse to plan your next round.
